(Words by Van Halen)

Owwwwwwww!

She's so fine  
How 'bout a 9 on a 10 scale  
With long legs  
Straight on up to her lunch pail  
Whoo! Sweet little wishbone, oh yeah  
Don't wanna break her in half  
Lick up one side an' down the other  
Always make her laugh, ha! ha!

She take me down, down, down to the bottom  
I got everything you wanted  
Give you everything you need  
Still you want that sugar daddy  
Over me

Huh! She want a sucker (Sucker)  
Sucker in a 3 piece  
(Sucker) Sucker, all dressed up in a 3 piece suit

I'm on fire, woo!  
With just one look  
Got me a brand new number  
In my little black book  
But she don't like the way I dress  
She don't like the way I wear my hair  
But when I roll you over baby, you don't care

Just take me down, down, down  
Down to the bottom  
Gimme everything I want  
Gimme everything I need  
You don't want that sugar daddy  
Not over me

Uh! She want a sucker (Sucker)  
Woo! Sucker in a 3 piece  
(Sucker) Sucker, all dressed up in a 3 piece suit

Oh  
Now say it isn't so, baby  
You wanna sucker  
He just a sucker, he just a sucker  
Look at all that money, baby  
Ya know, your sugar daddy  
You a sugar mamma  
Hey, you're both a bunch of suckers!

(Guitar Solo)

Oh, He got a big ol' belly  
A stone bald head (Sucker)  
Now, listen here, honey  
That ain't down your alley, no  
He just a sucker (Sucker)  
In a 3 piece  
Sucker (Sucker) yeah, in a 3 piece suit  
S-s-s-sucker  
Stone cold sugar daddy  
(Ooh ooh ooh) S-s-s-sucker (Sucker)  
All dressed up in a 3 piece suit

That's right, go ahead, suck it all up Right down to the  
last drop
