(Words by Van Halen)

Oh, yeah!
Huh!
Huh!

Walk me down to the wishin' well
Help me find that miracle
Splash that holy water on me
Drown my faith in Trinity, yeah
Oh, Lord

Little by little gonna get it I swear
One more piece of the puzzle, I'm there. Yeah
Gotta get lucky, gotta get that done
Little bit o' luck never hurt no one

Come on, take me down, down, down, down
I'm in a cold sweat
Lord, don't let me drown, drown, drown, drown
In Mother Earth's soul, yet!

Oh, yeah yeah!
Under darken skies
We'll see the light

Yeah!

Broken now, I can't help but feel
Someone cracked the seventh seal
Nothin' sacred, nothin' left unturned
When nothin's simple, then nothin's learned

So take me down to the virgin spring
Wash away my suffering, oh
Splash that holy water on me
Wash my eyes so I can see

Come on, take me down, down, down, down
I'm in a cold sweat
Yeah, don't let me drown, drown, drown, drown
In Mother Earth's soul, not yet

Lord, I think I found, found, found, found, found
My mother lode! Hey!
Oh, yeah!

Lord, Lord, Lord, Lord, Lord, Lord
Yeah! Down, down, down, down, down, down
Take me down, down, down, down, down, down
(Down, down, down, down, down, down)
Take me
