One way to rock

I've heard it called by different names all over the world, but it's all the same there's so many ways to make love a million ways to make love a million ways, I've been thinking of oh yea chorus:but there's only one way there's only one way to rock so many things can get you high I'm gonna try em all just once Before I die and you can analyze this situation to me it's all just mental Masturbation [chorus] now quickly, check the hands on the clock it's 8:05, it's

Time to rock and this world can disagree they don't understand how it can be And it's not my point of view it's a fact, and you know that it's true [chorus] Crank up the drums, crank out the bass crank up my les paul in your face [chorus]
