Hey, Baby, Whew!
I know that you believe in me,
That's all I ever need, uh huh.
No, No, nothing's gonna stop me,
Nothing will be scaring me, oh no
Hey baby, it's the only way out
Oh, little darling,
C'mon what's it all about?
Standing on top of the world
For a little while.
Standing on top of the world
Gonna give it all we got.
Oh, I know it won't hurt,
I gotta have a little taste
I just wanna sink my teeth in that
Fine piece of real estate, yeah
Hey baby, make it nice and sweet,
Oh, little darling
Let's take a walk down easy street
Standing on top of the world,
For a little while.
Standing on top of the world
Let's give it all we got, ooh ooh
Baby, gotta feeling, ooh ooh,
Oh, I wanna touch it,now, ooh ooh ooh,
See the whole wide world turn upside down.
Hey, Baby, Whew!
Someday, we'll be
Standing on top of the world
For a little while
Standing on top of the world
Till we got stung.
Standing on top of the world
For a little while.
Standing on top of the world
Gonna give it all we got.
(Standing on top) Hey, baby.
(Standing on top) Hey darling
Standing on top,
Standing on top,
Standing on top
