When you got a headache
And you try to soothe the pain
Go right back to sleep
And you'll feel alright again

When you got a backache
Little rubbin' will see you through
When you got a heartache
There ain't nothin' you can do

There ain't nothin' you can do
There ain't nothin' you can do
When you got a heartache
There ain't nothin' you can do

A man can't break a stone
So he tried another lick
Iceman can't break his ice, Lord
So he tries another pick

Your electric lights go out
A candle light will see you through
When you got a heartache
There ain't nothin' you can do

There ain't nothin' you can do
There ain't nothin' you can do
When you got a heartache
There ain't nothin' you can do, hey

Man can't break a stone
So he tried another lick
Iceman can't break his ice, Lord
So he tried another pick

'Lectric lights go out
A candle light will see you through
When you got a heartache
There ain't nothin' you can do

There ain't nothin' you can do, Lord
There ain't nothin' you can do, hey

When you got a heartache
There ain't nothin' you can do

Every time I think about it
Every time I think about it
When you got a heartache
There ain't nothin' you can do

Every time I think about it
Every time I think about it
Every time I think about it
