Well, it takes more than a robin  
To make a winter cold  
Then it takes two lips of fire  
To melt away the snow  
Yeah, and it takes two hearts a-cookin'  
To make a fire glow  
And baby, you got what it takes

(pullin together)

Well, it takes a lot of kissin'  
To make a romance sweet  
And it takes a lot of lovin'  
To make my life complete

And it takes a lot of woman  
To knock me off-a my feet

And baby, you got what it takes

Ooo-ooo-ooo-ooo-ooo-ooo-ooo-ooo-we  
Ooo-ooo-ooo-ooo-ooo-ooo-we  
Baby, youve got just what it takes

And it takes more than an effort  
To stay away from you  
And it takes more than a lifetime  
To prove that Ill be true  
(sing it with me)

Yeah, and it takes somebody special  
To make me say, I do  
And baby, you got what it takes

Woo-woo-ooo-ooo-ooo-ooo-ooo-ooo-we  
Woo-woo-woo-woo-woo-we  
Baby, you got just what it takes

Well, it takes more than an effort (hoo)  
To stay away from you (ooo, I know it)  
And it takes more than a lifetime  
To prove that Ill be true

And it takes somebody special  
To make me say, I do  
And baby, you got what it takes  
Oh yeah

And baby, you got what it takes

And baby, you got what it takes
