Photographer smile
Take a break for a while
Take a rest
Do your very best

Take five, honey
Five, honey

Search in your bag
Light up a fag
Think it's a drag
But you're so glad

To be alive, honey
Alive, honey

Say, when this is all over
You'll be in clover
We'll go out and spend
All a your blue money, blue money

Well the cameraman smiles
Take a break for a while
Do your best
Your very best

Take five, honey
Take five

Well, you search in your bag
To light up a fag
Think it's a drag
But you're so glad

To be alive, honey
Alive, honey

Say, when this is all over
You'll be in clover
We'll go out and spend
All a your blue money, blue money

Say, when this is all over
We'll be in clover
We'll go out and spend all your
Blue money, blue money

Juice money, loose money
Juice money, loose money, honey

What kind a money, honey?
Juice money, loose money, blue money
Juice money, loose money, blue money
Hey, alright, juice money
