Spoken:

All these wise guys tryin-a put us down  
We gonna bring 'em on in  
An' bring 'em on home

Sings:

See them stumblin' by the way side  
See them stumblin' by the way side  
Though it won't sail, 'cross the water, yeah  
Row-in boats a-cross the water  
Pick them up baby, row them on  
Bring 'em on in, bring 'em on home

Well, I was drivin', in my Jag-u-ar  
Do-in' ninety miles an hour  
I was drivin' up a clear way  
It was just my luckiest day  
An I, kept speed up  
An I, rowed these boats  
A-bring 'em on in  
A-bring 'em on in

Bi-do-a, di-do-a, di-do-a-do

(Instrumental & sax & guitar solo)

Now, I went walkin' down by Queensway  
When I met a friend of mine  
He said, "Come on back, back to my pad  
We will have a nice time  
If you pick me up, row me on  
Bring me in, bring me in

When I stepped off the boat  
And I walked upon the, dry land  
Slowly, to the carpark  
And I jumped in, outta my mind  
Outta my mind  
Bring 'em in, bring 'em on in, bring 'em in

Ay-ooo-lotta, ooo-li-otta, ooo-li-otta, ooo-li-otta  
Ooo-li-otta, ooo-ah

Bring 'em in baby, bring 'em on in  
Hey-hey now  
Bring 'em on home  
Bring 'em in, hey-hey-hey  
Bring 'em on home, all right  
Bring 'em on home

I said, pick me up, baby  
Row me home, bring me in, hey

Bi-do-a, i-ooo-le, ooo-le-a, ooo-le-a  
Ooo-la-te-do-da-la  
Alright  
FADES-  
Bi-oh-da-e-da-ee-da-ooo-a-la  
Alright
