The more I'm with you, pretty baby  
The more I feel my love increase  
I'm building all my dreams around you  
Our happiness will never cease

But nothing's any good without you  
'Cause, baby, you're my centrepiece

I buy a house and garden somewhere  
Along a country road, a piece  
A little cottage on the outskirts  
Where we can really find release

But nothing's any good without you  
'Cause, baby, you're my centrepiece  
Hey, baby, come and go

The more I'm with you, pretty baby  
The more I feel my love increase  
I'm building all my dreams around you  
Our happiness will never cease

But nothing's any good without you  
'Cause, baby, you're my centrepiece

I buy a house and garden somewhere  
Along a country road, a piece  
A little cottage on the outskirts  
Where we can really find release

But nothing's any good without you  
'Cause, baby, you're my centrepiece
