(Van Morrison)

We've got to put our heads together
I'm sure that we can work it out
I'm weighin' up the situation
And checkin' it out
Takin' it further
Takin' it further
Checkin' it out

This is a workin' situation
I'm tellin' you without a doubt
We've gotta pull it all in tight, baby
Checkin' it out
Takin' it further
Takin' it further
Checkin' it out

And all the obstacles along the way
Sometimes may feel so tremendous
There are guides and spirits all along the way
Who will befriend us

Let's talk it out across the table
Make sure that we leave nothin' out
Get into it like a meditation
Start checkin' it out
Takin' it further
Takin' it further
Checkin' it out

And all the obstacles along the way
Sometimes may feel so tremendous
There are guides and spirits all along the way
Who will befriend us

Let's talk it out across the table
Make sure that we leave nothin' out
Get into it like a meditation
Start checkin' it out
Takin' it further
Takin' it further

Checkin' it out

Checkin' it out, now baby
Checkin' it out checkin' it out
You meditate, you meditate
You meditate
And you come back
You come back
