Come here my love
This feeling has me spellbound
Yet the storyline in paragraphs
Laid down the same

In fathoms of my inner mind
I'm mystified, oh, by this mood
This melancholy feeling
That just don't do no good

Come here my love
And I will lift my spirits high for you
I'd like to fly away
And spend a day or two

Just contemplating the fields and leaves
And talking about nothing
Just layin' down in shades of effervescent
Effervescent odors and shades of time and tide

And flowing through
Become enraptured by the sights and sounds
In intrigue of nature's beauty
Come along with me and take it all in
Come here my love
