Don't look back  
To the days of yesteryear  
You cannot live on in the past  
Don't look back

And I've known so many people  
They're still trying to live on in the past  
Don't look back, whoa, no, no

If I could call back  
All those days of yesteryear  
I would never grow old  
And I'd never be poor  
But darling, those days are gone  
Oh, yeah

Stop dreaming  
And live on in the future  
But darling, don't look back  
Whoa, no, no  
Don't look back
