Early in the morning and I cant get right  
Had a little date with my baby last night  
Now its early in the morning (early in the morning)  
Well its early in the morning (early in the morning)  
Now its early in the morning  
And I aint got nothing but the blues

Went to all the places where we used to go  
Went to your house but you dont live there no more  
Now its early in the morning (early in the morning)  
Well its early in the morning (early in the morning)  
Early in the morning  
And I aint got nothing but the blues

Went to your friends house but she was out  
Knock on your fathers door and he began to shout get  
out there boy  
Early in the morning (early in the morning)  
Early in the morning (early in the morning)  
Early in the morning  
And I aint got nothing but the blues

Went to doogie chain to get something to eat  
Waiter looked at me and said you sure look beat  
Now its early in the morning (early in the morning)  
Early in the morning (early in the morning)  
Well its early in the morning  
And I aint got nothing but the blues  
Well its early in the morning  
And I aint got nothing but the blues  
Well its early in the morning  
And I aint got nothing but the blues
