Lie by my side in the still of the night
And morning brings forth all its wondrous delight
You couldnt have made it more plain

When I hear that soft refrain
And I hear you gently sigh
I wanna take you where flamingoes fly, flamingoes fly
Way over yonder in the clear blue sky
Thats where flamingoes fly
Lie in the dark with the sweet sound of the nightingale
And listen for lark, and I will tell you a tale
Soft winds blowin, blowin outside
I wanna take that moonlight ride
When I hear you gently sigh
I wanna take you where flamingoes fly, flamingoes fly
Way over yonder, yeah in the clear blue sky
Thats where flamingoes fly

Silently waiting for that morning light to shine
Yeah, and Im looking at you, looking at me
And Im looking at you
And anticipating
Each and every, each and every sign
And Im looking at you, looking at me
And Im looking at you, looking at me
Looking at you, looking at me, looking at you

I follow the road that will take me, take me back home
And carry that load where the deer and the provincial
angels roam
Happiness touches me now
Who knows where it came from and how, but
When I hear you gently sigh
I wanna, wanna take you where flamingoes fly,
flamingoes fly
Way over yonder in the clear blue sky
Thats where flamingoes fly, flamingoes fly

Way over yonder in the clear blue sky
Thats where flamingoes fly
You see those flamingoes fly
Ya see those, ya see those, ya see those

Ya see those, ya see those, ya see those flamingoes fly
Look over yonder, look over yonder, darling
Look over yonder, darling
Ya take it by the ocean, ya take it, ya take it by the
ocean
Mmm uhhh, take it by the ocean
