Georgia, Georgia
Whole day through
Just an old sweet song
Keeps Georgia on my mind
Oh, on my mind, on my mind

Well, well, well, well, well
Well, well, well
I said hey now, hey now, hey now
Hey now, Georgia
Just the thought of you
Comes as sweet and clear
As the moonlight through the pines

Other arms reach out to me
Other eyes smile tenderly
For that peaceful dreams I see

The road, the road, the road, the road
The road, the road, the road, the road
The road, the road, the road leads back to you

Oh, say that Georgia
No peace, no peace, no peace I find
Just an old sweet song
Keeps you, keeps you, keeps you
Gentle on my mind

Your arms, your arms, your arms
Your arms, your arms, your arms
Your arms, your arms reach out to me

Your eyes, your eyes, your eyes
Your eyes, your eyes, your eyes
Your eyes smile tenderly

For that peaceful
For that peaceful dreams I see
Oh, the hardened, hardened ground and road
Come and lead back to you

Georgia, no, no, no peace I find

Just an old sweet song, just an old sweet
Just an old sweet, just an old sweet song
Keeps you, keeps you on my mind
On my mind, on my mind [Incomprehensible]

Just an old sweet song
Keeps Georgia on my mind
Always on my mind, on my mind
