(lead out with chris barber on trombone)

Goin' home, he's goin' home
He'll be leavin', leavin' here today
Well if he don't leave now
Won't be goin' nowhere

Well home is where the heart is
Then my home's in new orleans
Take me to that land of dreams
Lord, and if I don't leave now
I won't be goin' nowhere, nowhere

Goin' home
He's goin' home (yeah, yeah, yeah)
Yeah he leaving, leaving here today
Well if he don't go now
I won't be goin' nowhere

(instrumental- piano)

"welcome to dr. john"

(instrumental- horn)

"go to chris barber on trombone, chris barber"

What you say
And what you do
Well it's times like that, then I'm tellin' you
Well if you don't leave now
I won't be goin' nowhere (nowhere, nowhere, said
nowhere) lord
And if I don't leave now, I won't be goin' nowhere
Yeah but don't leave now
I won't be goin' nowhere
(woo, yeah) yeah...
