Dance on Gypsy Queen  
If it's all night, it's alright  
Rave on let your love come tumblin' down  
If you let your love come tumblin' down i's alright

Dance on  
(You know it's alright)  
Gypsy Queen  
Dance on  
(You know it's alright)  
Gypsy Queen

Rave on, right beneath the silver moon  
Don't stop your carburetor let your car run  
And if it starts to rain keep on dancin' in the rain  
If it's all night, it's alright

Dance on  
(You know it's alright)  
Gypsy Queen  
Dance on  
(You know it's alright)  
Gypsy Queen

Oh la la la  
Dance, dance, dance the night away  
Oh la la la  
Come on, come on, come on  
Let me hear you say

You're gonna dance on Gypsy Queen  
Stars shine down on you, yeah, everything alright  
I wanna throw my arms around you  
I'm so glad I've found you Gypsy Queen

Dance on  
(You know it's alright)  
Gypsy Queen  
Dance on  
(You know it's alright)  
Gypsy Queen

Everything dance on  
(You know it's alright)  
Everything is alright

Dance on everything is alright  
(You know it's alright)  
Keep on dancin' dance on all night  
(You know it's alright)  
All night
