Little gal, little girl, Lord, you know it's true
Little gal, little girl, Lord, you know it's true
I don't wanna stop rockin' and rollin' with you

Are you gonna let me stand alone?
Are you gonna let me stand alone?
Caught you this morning before your daddy came
home

And I done more for you than your daddy has ever
done
I done more for you than your daddy has ever done
Gave you my jelly roll and he ain't give you none
Let's go, Eric

Don't you ever go down, down on Curzon Street, it's
bad
Don't you ever go down, down on Curzon Street
That's where old John flogs his daily meat

Maybe sometime he say
Leave the little boy and the girl behind
I got messed up round somewhere called nothing, Hill
Gate

I lived there for a while, but I moved out
And when I moved out
I was in such a state, I've never gone back there

But I, I'm sure I done more for you
Than your daddy has ever done, baby
Made you learn your syllables
Done more for you than your daddy has ever done, all
right, ha ha

Gave you my jelly roll
And he ain't give you none
Stay on the move

In the back street, in the back street, I gave you my jelly
roll
Ah, I gave it to you, ha ha

Remember when we were down in the, the alley
And I said the lights were out, baby this is it you know,
ha ha ha

All right, we got a good thing going
You can leave now if you don't like what's happening
You know we got a, a few things going, you know, ha
ha
It's a drag, ha ha, huh, that's what you call it
