Hello josephine,  
A how do you do?  
Do you remember me baby,  
Like I remember you?  
You used to laugh at me  
I was a fool, fool, fool

You used to shake it over yonder  
A by the railroad track  
A when it rained you couldnt walk  
I had to tote ya on my back  
It was a cryin shame  
You had to be like that

(instrumental)

Hello josephine,  
A how do you do?  
Do you remember me baby,  
Just like I remember you?  
You used to laugh at me  
It was a cryin shame

Whoa, josephine  
Hey yeah yeah yeah  
Whoa, sayin  
Hey now  
Whoa, josephine  
A what a cryin shame
