Producer: Ted Templeman. Warner Bros. 2760-2
(Released February, 1974)

Transcriber: Awcantor@aol.com

Ooh, here it comes
Here comes the night
Here comes the night
Whoa-whoa-whoa, oh yeah

I can see right out my window
Walkin' down the street my girl with another guy
Arms around her like it used to be with me
Oh, it makes me wanna die

Hey, well here it comes
Here comes the night
Here comes the night
Whoa-oh-oh-yeah

I can see him turning down the lights
Now he's holdin' her the way I used to do
Used to do, used to do
I can see her talkin' 'round an' tellin' them lies
Exactly like she told me, too

Whoa, here it comes
Here comes the night
Here comes the night
Whoa-oh-oh-yeah-yeah-yeah

Play it

(Instrumental)

Oh, there they go
It's funny how they look so good together

Wonder what is wrong with me?
Why can't I except the fact
She's chosen him and simply let them be?
Let them be

Well, here it comes
Good God, here comes the night
Here comes the night
Lonely, lonely, lonely, night

Give it to me lonely
Give it to me lonely
Give it to me lonely
Give it to me lonely

Tellin' me the lonely
Tellin' me the lone
The lonely, lonely night

Give it to me lonely
Give it to me lone
Give it to me lone
Give it to me lonely

Tellin' me alone
Give it to me 'lone
Tellin' me the lonely nights

Here comes the night
Whoa-whoa-whoa
Oh-yeah-yeah
Ah

(applause)

Thank you very much
Thank you, Caledonia Soul Orchestra
Thank you very much.
