

Van Morrison "Hey Girl"

Let's go walking where the boats go by
And watch them sail across the bay
Let me hold your hand in the morning fog
Little child I want to walk your dog

Hey, hey girl
Hey, hey girl
You're so young
I don't know what to do

And let's go walking up that mountain slope
And look down on the city down below

I will make a fool of you

Hey, hey girl
Hey, hey girl
You're so young
You make me lose my mind

Hey there go your baby sister
