Well, I'm higher than the world
And I'm livin' in my dreams
I'll make it better
Than it seems, today

And I'm higher than a cloud
And I'm living in the sound
I'll make it better
Than it seems, today

Higher than the world
But my head is in a swirl
I gotta give life
A whirl, today

Higher than the clouds
Wrapped up in the sound
I'll make it better
All around, today

Higher than the world
But my head is in a swirl

I gotta give life
A whirl, today

Higher in my mind
I'm going leave
These blues behind
And I'll find what I find, today

'Cause I'm higher than the world
And I'm wrapped up in my dreams
I'll make it better
Than it seems, today

Yes, I'm higher than the world
And I'm livin' in my mind
I got to hold on
To what I find, today
Just a little bit higher
Little bit higher
