I could cry salty tears  
Where have I been all these years  
A little while, tell me now  
How long has this been going on?

There were chills, up and down my spine  
Yes, therere thrills I cant define  
Listen sweet, while I repeat  
How long has this been going on?

Oh I could feel that I could melt  
Into heaven Im hurled  
Oh I know how leif erickson felt  
Finding another world  
Kiss me once, and then once more  
Oh what a dunce I was before  
What a break, for heavens sake  
How long has this been going on?

Repeat last verse
