Whoa sometime, sometimes I get a little worried
Well, but I wanna tell ya all, its alright, yeah

cause I got a woman way across town
Shes good to me, shes good to me
I got a woman way cross town
Shes alright, shes alright

Shes my baby, dont ya understand?
cause you know Im her lovin man
I got a woman way cross town
Shes good to me, yes she is

Save her lovin, kissin and a huggin
Just for me, yes she does
Save her lovin, early in the mornin
Just for me, whoa yeah

Shes my baby
Dont ya understand?
Well ya know Im her lovin man
Well I got a woman, right here in town
Shes alright, ready

Hey!

(instrumental)

Shes there to love me
Both day and night
She never grumbles or fusses
Always treats me right

Never on the streets
Leavin me alone
She knows a womans place
Right back there in her home

Got a woman way across town
She loves me
Shes my lady

I got a woman, way across town
She good to me, she good to me
Shes my baby
Dont ya understand?
Lord, ya know Im her lovin man
Got a little woman, way across town
She alright, she alright

Hey hey, oh yeah

Hey, oh yeah

Cryin whoa, whoa whoa whoa
Whoa whoa whoa, whoa whoa whoa
Whoa whoa whoa whoa
Shes alright
Yes she is
Shes alright

Youre alright
Youre alright, youre alright
Youre alright, youre alright
Youre alright
Fades
An alright, an alright
An alright, I got a woman...
