I don't want ya to be no slave
I don't want ya to think, you got it made
Do exactly what you wanna do
I just wanna make love to you
That's alright

I don't want you to think you got it made
Don't want you to run around like, ace a-spades
Do exactly what you plan to do
I just wanna make love to you
That's alright

I can tell by the way you swish and walk
See by the way you baby talk
An' I know by the way you understand
Love me baby, love me baby, love me baby
'Till-a, cryin' shame

Yeah, I don't want ya to think, ya got it made
I don't want ya to run around, like the ace a-spades
Do exactly what, plan to do
I just wanna make love to you

That's alright

(Instrumental & guitar solo)

I can tell by the way, swish and walk
See by the way you, baby talk
An' I, know by the way you understand
I just
Love me baby, love me baby, love me baby
'Till-a cryin' shame

An' I don't want ya to bake my bread
I don't want ya to make, make my bed
I don't want ya to be sad an' blue
I just wanna make
If that's alright

Whoa-yeah!
An' whoa-yeah-yeah-yeah
An' whoa-yeah
Whoa-yeah

Her heart's a stone
Her heart's a stone

An', I just wanna make.
