Smile you smile is you and I
See through your laughing eyes
Smile you smile is you and I
See through your laughing eyes

Oh baby
In the whirlpool of them, I
Can be in paradise

I'd go roamin' in the gloamin'
Ever and a day with you
Oh yes, I will
I'd go roamin' in the gloamin'
Ever and a day with you

Oh baby, sit between the stars and say
That's my point of view, oh yeah

I love you, I love you

In the purple heather
On a hillside mountain fog we'll stray
Oh yeah, in the purple heather

On a hillside mountain fog we'll stray
Oh yeah, an' chase the colored grass
Around us in the same old way

I love you, baby, I love you, oh baby
