Lord if I ever needed someone, I need You
Lord if I ever needed someone I need You

To see me through the daytime
And through the long lonely night
To lead me through the darkness
And on into the light

To stand with me when I'm troubled
And help me through my strife
When times get so uncertain to turn to You
Turn to You in my young life

Lord if I ever needed someone, I need You
Lord if I ever needed someone, I need You

Someone to hold onto
And keep me from all fear
Someone to be my guiding light
And keep me ever dear

To keep me from my selfishness
To keep me from my sorrow
To lead me on to givingness
So I can see a new tomorrow

Lord if I ever needed someone, I need You
Lord if I ever needed someone, I need You

Someone to walk with
Oh someone to hold by the hand
Someone to talk with
Someone to understand, yeah, yeah

Oh, when I need You
Yeah, I need You very much
To open up my arms to You
Feel Your tender touch

To feel it and to keep it
To the right here in my soul
And care for it and keep it with me

Never to grow old

Lord if I ever needed someone, I need You

Lord if I ever needed someone, I need You

Lord if I ever needed, needed someone, I need You

Lord, Lord if I ever needed someone, I need You
