I'm confessin' that I love you  
Tell me, do you love me too?  
I'm confessin' that I need you  
Honest, honest I do, I do, oh yeah

In your eyes, your eyes, your eyes, your eyes  
Your eyes, your eyes, your eyes  
I read such strange things  
But your lips deny that they are true  
Baby, will your answer really change things?  
Making me blue

I'm afraid some day you're gonna leave me  
Saying, why can't we still be friends?  
If you go, you know you're gonna grieve me  
'Cause all my life on you depends

I'm guessing, guessing that you love me  
Dreaming dreams, dreaming dreams  
Dreaming, dreaming, dreaming dreams of you in vain  
Woah, I'm confessin' that I love you  
Over, over, over, over and over again

Woah, I'm afraid some day, some day you're gonna  
leave me  
Saying baby can we still be friends, old friends now  
If you go, if you go, you know you're gonna grieve me  
'Cause all my life on you depends

I'm guessing that you love me, yeah  
Dreaming, dreaming, dreaming, dreaming  
Dreaming, dreaming dreams of you in vain  
Oh, I'm confessin' that I love you  
Over and over and over and over and over and over  
again  
I'm confessin' that I love you over and over and over  
All over again, oh yeah
