Gonna live in the hills far away in the hills
And i'm gonna dress in black

Way high in the hills in georgia

Way out in the hills in georgia

I'll think of the time that woman was mine

Yeah, way out, way out in the hills in georgia
I'll live in my old tin shack
I'm gonna think of the time that woman was mine
And i'm gonna dress in black

Yeah, i'm gonna a dress in black
Fades
Whoa yeah, i, i'm gonna
I'm gonna dress in...
