So glad to see you  
So glad youre here  
Come here beside me now  
We can clear inhibition away  
All inhibitions  
Throw them away  
And when we dance like this  
Like weve never been dancin before

Chorus:

Oh, they were swingin  
Down at kingdom hall  
Oh, bells were ringin  
Down at the kingdom hall  
A choir was singin  
Down at the kingdom hall  
Hey, liley, liley, liley  
Hey, liley, liley, low  
Do do do do do do, do  
Do do do do do do  
Do do do do do do, do  
Do do do do do do

Good body music  
Brings you right here  
Free flowin motion now  
When were shakin it out on the floor  
Good rockin music  
Down in your shoes  
And when we dance like this  
Like weve never been dancin before

Repeat chorus

Down at the kingdom hall  
They were havin a party  
They were havin a ball  
Bells were ringing out  
And the choir was singin  
Hey, liley, liley, liley  
Hey, liley, liley, low  
Do do, do do, do do, do do

Sugar was there  
Did you see sugar  
Down at the kingdom hall  
Sugar was tough
