Laughing in the wind  
Cryin in the rain  
Ive felt this way before  
Ill feel this way again  
And in a small cafe just passing time away  
Im giving you the eye  
No need to wonder why

And its hazy lazy waitin for springtime  
Roll along, roll along  
And all you gotta do is  
Listen to the song  
To the melody  
I would do it for you  
Would you do it for me

And its hazy lazy waitin for springtime  
Come along, roll along  
And all you gotta do is  
Listen to the song  
To the melody  
I would do it for you  
Would you do it for me

I would do it for you  
Would you do it for me  
I would do it for you  
Would you do it for me
