Memories

All I have is memories

All I have is memories

Memories of you

Now you're gone

They linger on, these memories

All these precious memories

Memories of you

How they linger in the twilight

In the morning in the small hours

Just before dawn

Memories

Of summer days so long ago

Yeah, people in the places

That we used to know

Oh those memories

How they linger in the twilight

And in the wee small hours

Sometime just before the dawn

Oh those memories

Oh happy times those memories

All I have now is memories

Memories of you

Oh memories

All those precious memories

All I have is memories

Memories of you

Memories of you, memories of you

Oh, memories of you, oh, memories of you

Oh, lots of memories of you

Oh, memories of you, oh, memories of you
