Well, its a marvelous night for a moondance.  
With the stars up above in your eyes.  
A fantabulous night to make romance 'neath the cover  
of October skies.  
And all the leaves on the trees are fallin to the sound of  
the breezes that blow.  
And I'm trying to please to the callin of your heart  
strings that play soft and low.

And all the nights magic seems to whisper and hush.  
And all the soft moonlight seems to shine in your blush.

Can I just have one more moondance with you...my  
love?  
Can I just make some more romance with you...my  
love?

Well I wanna make love to you tonight.  
I cant wait till the morning has come.  
And I know now the time is just right.  
And straight into my arms you will run.  
And when you come my heart will be waiting.  
To make sure that your never alone.  
There and then all my dreams will come true dear.  
There and then I will make you my own.

And everytime I touch you you just tremble inside.  
And I know how much you want me that you can't hide.

Can I just have one more moondance with you...my  
love.  
Can I just make some more romance with you...my love.

Well, its a marvelous night for a moondance.  
With the stars up above in your eyes.  
A fantabulous night to make romance.  
'Neath the cover of October skies.  
And all the leaves on the trees are falling.  
To the sound of the breezes that blow.  
And I'm tryin to please to the calling of your heart  
strings that play soft and low.

And all the nights magic seems to whisper and hush.  
And all the soft moonlight seems to shine in your blush.

Can I just have one more moondance with you...my

Can I just make some more romance with you...my  
love? x2
