(Van Morrison)  
Only a dream  
That I had in the night  
Only a dream  
But It felt so right  
We were standing in the moonlight  
I was holding you tight  
But it was only a dream  
Only a dream  
And that knocked me off of my feet  
Only a dream  
It was dancing in the street  
And the big band kept on playing  
Of Bonaparte's retreat  
But it was only a dream  
Only a dream  
But somebody  
Tried to knock it down  
Only a dream  
But that dream  
Keeps hanging around  
Only a dream  
We were roiling in the snow  
Only a dream  
And we just couldn't let go  
I sat outside the window  
It was just like Romeo  
But it was only a dream  
Only a dream but somebody  
Tried to knock it down  
Only a dream but that dream  
Is still around  
Up on Mockingbird hill  
And I'm feeling no pain  
Ali the birds are singing  
Their all so sweet refrain  
If I had to do it all over  
I'd do the same thing again  
'Cos it was only a dream  
Oh 'cos it s only a dream  
That knocked me off of my feet  
Only a dream

We were dancing  
Out in the street  
And the big band kept on playing  
Of Bonaparte's retreat  
But it was only a dream  
Oh but it was only just a dream  
Din but it was only a dream  
Oh but it was only a dream  
Oh what a dream
