Always screaming 'cause I'm suffering so
Life's done never such a terrible blow
The bag I'm in is just a sack o' woe

Misery, company and I'm feeling low
Trouble follows me wherever I go
The bag I'm in is just a sack o' woe

Trouble, one thing I understands
Seems to be a part of me
Misery and me go hand in hand
Never ever let me be

Sure as I'm born, one thing I know
The bag I'm in is just a sack o' woe

Always screaming 'cause I'm suffering so
Life's done never such a terrible blow
The bag I'm in is just a sack o' woe

Misery, company and I'm feeling low
Trouble follows me wherever I go
The bag I'm in is just a sack o' woe

Trouble, one thing I understands
Seems to be a part of me
Misery and me go hand in hand
Never ever let me be

Sure as I'm born, one thing I know
The bag I'm in is just a sack o' woe
Sack, sack, sack, sack, sack
Sack, sack, sack o' woe
