(Van Morrison)

(guitar intro)

(Send your mind)
(Send your mind)
(Send your mind)
(Send your mind)

Well you're out there, on the highway
While you're drivin', a-roll on by
Goin' south between the bridges
While the river's runnin' dry

And if ya can't come home
Please send your mind

(Send your mind)
(Send your mind)
(Send your mind)
(Send your mind)

Now you're talkin', where ya goin'
On the train that sees the road
'Cross the nation, passing stations
While the night is as black as coal

And if you can't come home
Please send your mind

(Send your mind)
(Send your mind)
Ooo!

(Guitar solo and Instrumental)

(Send your mind)
(Send your mind)

Well, if your handle ain't, on your heartbeat
And your headed between the sheet

And the sign isn't from the lamp post
On the corner of the street

And if ya can't come home
Please send your mind

(Send your mind)
(Send your mind)

Ooo-ooo-we

(Send your mind)
(Send your mind)

Ooo-ooo-wee-ooo
(Send your mind)

A we-we-eee
(Send your mind)

A we-eee
(Send your mind)

(pause)

Aah, little darlin'
(Send your mind)

Come on home
(Send your mind)

Come on home
(Send your mind)

Aah, send it, send it, send it
Send your mind (Send your mind)

Ah, try to send it, baby
(Send your mind)

All ya gotta do
(Send your mind)

song pauses

Shoo-be-do, shoo-be-do, shoo-be-do
(Send your mind)

Aah, send your mind
(Send your mind)

(Send your mind)

Go on send it darlin'

(Send your mind)

Come on home
