My young love said to me  
My mother won't mind  
And my father won't slight you  
For your lack of kind

She stepped away from me  
And this she did say  
?It will not be long love  
Till our wedding day?

She stepped away from me  
And she moved through the fair  
And fondly I watched her move here  
And move there

And she went her way homeward  
With one star awake  
As the swan in the evening  
Moved over the lake

Last night she came to me  
My young love came in  
So softly she entered  
That her feet made no din

And she came close beside me  
And this she did say  
?It will not be long love  
Till our wedding day?
