When I hear that robin sing
Well, I know it's coming on spring
Ooo, we and we're starting a new life

I've been shoveling the snow away
Working hard for my pay
All I gotta say is we're starting a new life

We're gonna move
Way on down the line
Girl, we been standing
In one place for too long a time

When I hear that robin song
Well, I know it won't be long
Frank, I know we belong
And we're starting a new life

We gonna move
Move way on down the line
Girl, we been standing
In one place for too long a time

When I hear that robin song
Well, I know it won't be long
Frank, I know we belong
And we're starting a new life
