Sticks and Stones/Crawlin' King Snake
6 Song Medley
Van Morrison
Van Morrison Live Concert
GAMH San Francisco, CA April 21, 1992

Sticks and Stones:
I been abused I don't care what the people might say
I'm never gonna let you go
People talkin' tryin' to break us up
Scandalizin' my name
Say anything
Anything to make me ashamed

Chorus: I've been abused in my heart

Crawlin' King Snake (opening instrumental)

'Well ya got me crawlin' baby where the grass is very
high
I'm wanna keep on crawlin' baby, 'till the day I die
I'm a crawlin' King Snake and I rule in my den
Don't want you messin' with my baby
I wanna use her for my friend

Oh I crawled up to the window
I crawled up to the door
Keep on crawlin' baby
Till I just can't crawl no more
I'm a crawlin' King Snake
And I rule in my den
Don't want you messin' with my baby
I wanna use her for my friend

(Instrumental) into Lonely Avenue
(applause)

I'll Go Crazy
'Crazy, crazy, crazy
Mixed up, fucked up world
That you don't know, baby

But I gotta make my get-a-way
One day at a time
I got a house on the hill
And-a money in the bank
And -a money in my pocket
Still on the chain gang (repeats)

It's All In The Game/Make It Real One More Time

Van: Okay, give it, give it a rest so we can do it, huh?
Give it a rest and will be able to do it, huh?
Okay?
Audience guy yells out 'Give it a rest'
Van: GIVE IT A REST
Audience guy: No
Van: yeah? (yeah) Audience girl: Yeah!

Van: Well, shut the fuck up, then!
I don't know what you expected to hear but-a
Ya know, this is what it is.
Well, if ya can't shut the fuck up then I don't know what
the fuck you're doing here, you know it?
This is what it is.
Girl yells out 'We love you Van'
Van (mad!) Oh, shut up for chrissake!

Van: Let me do it, let me do the work, huh? okay?
I know it's not rent-an-audience
I hope it's not 'Rent-An-Audience', is it?
Girl yells out: 'No Way'
Guy: NO!

Meet me down by the river, baby
Meet me down by the river
