Think twice before you go  
Baby, this'll be the end  
Think twice before you go  
Baby, this'll be the end  
Can you leave me one time  
Baby, you will leave again

Stay and suffer with me, baby  
Then I'll know you paid your due  
Stay and suffer with me, baby  
Then I'll know you paid your due  
If you're not there when I need you  
Then you know you stand accused

Think twice before you go  
Baby, this'll be the end  
Think twice before you go  
Baby, this'll be the end  
If ya leave me one time  
Baby, you will leave again

Ooh!

You're breakin' my heart  
When ya know ya done me wrong  
You're breakin' my heart  
You know you done me wrong  
Baby, come back home  
Come back where you belong

Think twice before you go  
Baby, this'll be the end  
Think twice before you go  
Baby, this'll be the end  
If ya leave me one time  
Baby, you will leave again

(one more time)

Think twice before you go  
Baby, this'll be the end  
Think twice before you go

Baby, thisll be the end  
If ya leave me one time  
Baby, you will leave again
