Got a woman, broke my heart  
Took it darlin', tore it apart  
You left me sitting by the fire cryin'  
You said your love for me was dyin'

And I'm beggin' you, baby  
Baby, please  
I'm beggin' you, baby  
I'm down on my knees

Turn on your light  
Let it shine on me  
Turn on your love light  
Let it shine on me  
Let it shine, shine, shine  
Let it shine

Now, I wanna know  
I gotta know, baby  
Feel alright  
Feel alright  
And I feel alright

Feel a little lonely in the middle of the night  
I need you darlin', everything alright  
Turn on your light  
Let it shine on me  
Turn on your love light  
Let it shine on me

Little bit higher  
(Turn on your lovelight)  
Little bit higher  
(Turn on your lovelight)  
Little bit higher  
(Turn on your lovelight)  
Little bit higher, baby  
(Turn on your lovelight)

Little bit higher  
(Turn on your lovelight)  
Little bit higher

(Turn on your lovelight)  
I wanna know, yeah  
(Turn on your lovelight)  
I gotta know  
(Turn on your lovelight)

She's all that I need  
(Turn on your lovelight)  
She's all that I need  
(Turn on your lovelight)  
Ooh, alright  
(Turn on your lovelight)  
Yeah  
(Turn on your lovelight)
