When I become was and we become were
Will there be any sign or a trace of th' lovely contour of
your face
And will there be someone around
With essentially my kinda sound

When am turns to was and now is back when
Will someone have moments like this
Moments of unspoken bliss
And will there be heroes and saints

Or just a dark new age of complaints

When I become was and we become were
Will there be any susans and ralphs
Lookin' at old photographs
And wondering aloud to a friend
