What's wrong with this picture?
There's something I'm not seein' here
What's wrong with this picture?
Something's not exactly clear

What's wrong with this picture?
Does it look like it's just another sting, sting?
'Cos it don't mean a thing
If it ain't got that swing and ring a ding ding

What's wrong with this picture?
Doesn't anybody see
That's who everyone thought
That I used to be

What's wrong with this picture?
It's only just hangin' on a wall
So you can go right back to sleep
And just forget about it all

Because I'm not that person anymore
I'm living in the present time

Baby, don't you understand
I've left all that jive behind

You can't believe what you read in the paper
Or half the news that's on TV
Or the gossip of the neighbors
Or anyone who doesn't want you to be free

I'm not that person anymore, no, no, no, no, no
I'm always living in the present time
Don't you understand
I left all that jive behind

What's wrong with this picture?
It's only hangin' on the wall
Why don't we take it down
And just forget about it all
'Cause I didn't need at all
