When I Deliver
Van Morrison
(with female backing)
Album: The Genuine Philosopher's Stone Vol 3 Track 14
Transcriber: Awcantor@aol.com

When I deliver
When I deliver
I never know what's
A-gonna be

When I deliver
When I deliver
Sometime I don't know what's
Gonna be

Blues come through you
They don't come from you
And ya sing 'em naturally
Naturally, yeah

Baby!
Baby!
Baby you make me feel so good
I want a big-legged woman, like you
Late at night
A-make me feel alright

We got it boys!
When I deliver
Ow! Ow! Ow! Ow! Ow! Ow!

Sometime I don't know
Ya know sometime I don't know
Ya know sometime I don't know
When it's gonna be

Yeah-aay-hey!

When I deliver (hey-hey)
When I deliver (hey-hey)

Ya know sometime I don't know (hey-hey)
When it's gonna be

When I deliver (hey-hey)
When I deliver (hey-hey)
Ya know sometime I don't know when it's (yeah-hey)
Gonna be (hey-yeah)

'Cause the blues come through you
You know they don't come from you
And you sing 'em very naturally
(I deliver)

Here we go!
(I deliver)

When I deliver
When I deliver

Sometime I don't know when it's
Gonna be
(Dit-dit-dit-dit-dit-dit-woo)
(Dit-dit-dit-dit-dit-dit-woo)

When I deliver
When I deliver
Sometimes I don't know when it's gonna be

(Dit-dit-dit-dit-dit-dit-woo)
(Dit-dit-dit-dit-dit-dit-woo)

Sometime I may be ridin' (hey-hey)
In my car (hey-hey)
Sometime I may be sittin' by the sea (hey-hey)

Sometime I may be (hey-hey)
Layin' down late at night (hey-hey)
I may think of some poetry (hey-hey-hey-hey)
I may think of jazz an' some poetry (ooo)
When I deliver (ooo-hoo)
When I deliver (hoo)
(I deliver)
(When I deliver)
