Verse 1:

So you're looking for answers,
And they're selling your choices
In the confort of your own tv
And the magazine covers,
They made you discover
Beauty is all that you need

Pre-chorus:

It's just a mean game
Nothing but a mean game
Nothing but lies
Try to make you be things
Tell you how to see things
Why do you try

Chorus:

If you're down on your money
Down on your luck
If you get pushed over you can get
Yourself back up
I said
Down on respect
And down on belief
If you're sick of what they say
Then come and follow me

Ooh ooh, follow me
Ooh, ooh, follow me

Verse 2:

So you're man on a mission
Who makes the decisions
To follow someone else's advice
Cause deep down inside
You don't know what's
Wrong from right
There's only so much
Money can buy

Repeat pre-chorus

Repeat chorus

Ooh ooh, follow me
Ooh ooh, follow me
Why don't you follow me down

Repeat pre-chorus

Repeat chorus (x2)

Ooh ooh, follow me
Ooh ooh, follow me
