Intro:

Iâ€™m only lifted up lifted up  
Lifted up to you

Verse 1:

I start my morning  
I turn the lights on and slowly wake up  
And i end my day,  
I drink from the same cup  
I get around doinâ€™everything twice  
But it always feels like, iâ€™m still on the first line  
But no matter how the week is  
If youâ€™re around iâ€™m fine  
And the more we are together  
The more that i find

Chorus:

That i am only lifted up lifted up  
Lifted up to you  
Said i am only lifted up lifted up  
Lifted up by you  
Lift me with a little love, lift me  
With a little love

Verse 2:

Now i have to tell you  
About the love that you givinâ€™me  
It makes me happy  
You make me stronger i believe  
And when the day is nearly done  
You donâ€™t have to turn around  
Or look for another  
Cos you will only find

Repeat chorus

Iâ€™m only lifted up lifted up  
Lifted up by you  
Lift me with a little bit of love  
Iâ€™m only lifted up lifted up  
Lifted up by you

No matter how the week is  
If you're around i'm fine  
And the more we are together  
The more that i find

Repeat chorus (x3)
