Intro:

One thing leads to another
YouÂ've been trapped, been caught
WhoÂ's gonna stop?
WhoÂ's gonna stop?
One thing leads to another

Verse 1:

So there have always been
The men to be right
You can give them any job
They can do three things at one time
But if you giveÂ'em your heart
ItÂ's from then they screw up
Is youÂ're asking for the truth
Well itÂ's safer just to give up
It seems like forever
That iÂ've been trapped, been caught
IÂ'm calling stop Â'cos

Chorus 1:

One thing leads to another
Before you know it
YouÂ're in too deep
Till you finally discover
You got no more secrets to keep Â'cos
Little by little
Step by step
YouÂ're gonna see how far you can get
Listen to the words of your mother
One thing leads to another

Verse 2:

YouÂ're so obvious,
But you play it so cool
You must think iÂ'm out of my mind
But i know just what youÂ're up to
Â'cos they day i give up
Is the day that youÂ'll drop
And itÂ's better you know
They day i leave you wonÂ't be letting go

You'll feel it forever
'cos you've been trapped been caught
Who's callin' stop? 'cos

Repeat chorus 1

Bridge:
It's always been what's done
Little hope for it to change
But with us it's left undone
And it's always the same
We fall for the ones that
Hold us in their games

Chorus 2:
One thing leads to another
Before you know it
You've been trapped, been caught
Who's gonna stop?
Who's gonna stop?
With the secrets to keep 'cos
Little by little
Step by step
You're gonna see how far you can get
Listen to the words of your mother

One thing leads to another
