So is that how it's gonna be
About you and me
I can't even pass you
Without thinkin of you
Or what your thinkin of me

(Chorse)
Tell these signs to my heart
Mix signals becasue of the dark
Embrass my love
Cause I love you
I love you
With all my heart

Now I can't even talk to yo
Even if I want to
Now everything
Is close to falling apart
Yeah yeah
Now everything has passes yeah yeah

(Chorse)

(Bridge)
Now what I say
I love you 2x
With all my heart

(Chorse)
With all my heart
