(Chorse)

It's called some love 2x
Something I need in life
My life
Some love
Some love
Some love
Is you
Some love
Yeah yeah

If you wanna take it slow
I'll do it
I'll do what ever it takes
For you baby
I hope you'll do anything for me too
Cause I love you

(Chorse)

Sometimes I feel left out
With you not there by my side
Will you be there?
I understand if you don't wanna be there
With me every seconde of every day
But your warmth is all I live on
And our love for eachother rocks my world
