Friday night, i jumped the line
Clubbing with my girlfriends
It's our time to shine
Throw a few bones, wlk a few dogs
Hanging in the corner, drink and laugh a lot
Suddenly there's you
And my heart starts beating

Chorus:

Spin - everybody's doin' it
Spin - everybody's full of it
Spin - working their show time,
Cheap line, all i really want is a good time
Working their....
Spin - everybody's faking it
Spin - everybody's diggin' it
Don't give me that shop talk,
Just stop and show me what you really got

Verse 2:

So you got a cool ride,
You got your own crib
You work real hard,
Put your money in the jar
And you're proud of it
You better not lie, cause i ain't no fool
Spinning lies to hypnotize ain't what i do and
Suddenly there's you
And my heart's still beating

Repeat chorus

Bridge:

(i'm real) - all i want is honesty,
(i feel) when someone good is close to me
(let me know) did this moment feel like destiny?
Or just a freeze frame, mind game,
Playing with my heart

(ad libs)

Everybody's doin' it
Everybody's full of it - spin
Everybody's faking it
Everybody's diggin' it - spin

Repeat chorus (x2)
